

THIS IS TO CERTIFY THAT

**Haodong Wu**

HAS SUCCESSFULLY COMPLETED THE COURSE:

**COMSOL MULTIPHYSICS ONLINE INTENSIVE TRAINING**

CONTENTS OF THE COURSE:

Multiphysics modeling - the mutual coupling of multiple physics equations  
Working with COMSOL® software expressions and materials  
    Meshing intricate geometry  
    Performing complex analyses  
Linear and non-linear finite element methods  
    Selecting the optimal solver  
Post-processing with result data and plots
